Jeaneanne,

You sent Jaime the OA but didn't include the draft PA. I've attached it here so you can send to her.

Thanks,

Matt

Subject: Draft Programmatic Agreement

Jamie

I am writing to request your feedback on the attached draft programmatic agreement. We created this draft following preliminary discussions between EPA and the ACHP and as part of our consultation under Section 106 of the NHPA regarding the State of Florida's request to assume administration of the Clean Water Act Section 404 program.

After receiving your feedback, we plan to share the draft PA with the other NHPA consulting parties for their input. In order to give ourselves enough time for those discussions, it would be ideal if we could receive any feedback you have by next Wednesday, October 28th. As part of the consultation process, we have been actively engaging with several Tribes and have preliminary feedback from those conversations, so we also wanted to suggest that it might be beneficial to set up a call on Monday of next week, October 26th to discuss where we are in the conversations, to walk through the PA, and discuss next steps. Please let me know whether an October 26th call works for you and your team. If the timeline we set out does not work, we would appreciate discussing with you an alternate schedule.

We appreciate your attention to this matter and look forward to talking with you. Please feel free to contact me at (cell) if you have any questions or wish to discuss this matter further.

Thanks
Jeaneanne
